Model	Limited Warranty Period / Service Method
ScanSnap iX100 Series ScanSnap iX1300 Series ScanSnap iX1400 Series ScanSnap iX1600 Series ScanSnap SV600 Series	1 Year Depot Service

To upgrade your standard warranty or to purchase post warranty support, call your local Authorized Reseller or contact us at (800) 626-4686.

II. Limited Warranty Guide

WELCOME

Congratulations on the purchase of a Ricoh Document Scanner! Ricoh Document Scanners are designed to give end users the highest performance and reliability. All Ricoh Document Scanners are covered by the following Limited Warranty:

LIMITED WARRANTY FOR RICOH DOCUMENT SCANNERS

PFU America, Inc. ("PAI") provides the following Limited Warranty on Ricoh Document Scanners (excluding spare parts and consumables) distributed by PAI or through PAI's authorized distribution channels.

PAI warrants that a Ricoh Document Scanner, from the time of sale through the Limited Warranty period applicable to the Product, will be free of defects in materials or workmanship and will conform to the performance specifications applicable for the particular Ricoh Document Scanner.

All Ricoh Document Scanners are subject to the Warranty Exclusions described below. A scanner found to be defective or which does not conform to the product specifications will be repaired or replaced with new or refurbished product at PAI's option.

Purchasers may determine the applicable Limited Warranty period for the Ricoh Document Scanner purchased by calling (800) 626 4686, option 2, by visiting <https://www.pfu-us.ricoh.com/support/warranties-manuals-datasheets> or by reviewing the Limited Warranty Summary Card enclosed with the Ricoh Document Scanner. Proof of purchase is required to demonstrate eligibility for warranty service.

Note: For previously branded Fujitsu products, PAI will honor any product still under warranty. The limited warranty provided will not change with the rebranding of PAI's products.

WARRANTY EXCLUSIONS

PAI's Limited Warranty does not apply to a Ricoh Document Scanner that has been subjected to physical damage after purchase, caused, for example, by casualty, accident, acts of God or transportation, including but not limited to: (a) by a failure to properly package and ship the Imaging Product back to PAI for warranty service in accordance with PAI's then current Packaging and Shipping Guidelines, including failure to replace the shipping restraint prior to shipping, or by a failure to remove the shipping restraint prior to use; (b) resulting from the user's installation, system integration, programming, re-installation of user operating systems or applications software, systems engineering, relocation, reconstruction of data, or removal of the product or any component (including breakage of a connector, cover, glass, pins, or seal); (c) from any damage caused by service, modification or repair not performed by PAI or a service provider authorized by PAI, or any damage caused by product tampering, use of third party or other non-OEM components, parts, assemblies, accessories, or modules; (d) from any damage caused by misuse, unreasonable handling or maintenance, mistreatment, operator error, failure to provide proper supervision or maintenance including use of

cleaning products or other accessories not approved by PAI or use in contravention of recommended procedures or specifications; (e) by environmental conditions (such as excessive heat or other unsuitable physical operating environment), corrosion, staining, electrical work external to the product or failure to provide electro-static discharge (ESD) protection; (f) by failure to Install firmware updates or releases available for the product and (g) by such other supplemental exclusions published from time to time online at <https://www.pfu-us.ricoh.com/support/warranties-manuals-datasheets>, or by calling (800) 626-4686, Option 2.

PAI provides no Limited Warranty for products intended for distribution in countries other than the United States. Purchasers of products from foreign distribution channels must seek warranty coverage, if any, through the original source of purchase. PAI provides no Limited Warranty for products that are purchased as part of a third-party manufacturer's product, computer system or other electronic device. Any warranty for these products is provided by the OEM (Original Equipment Manufacturer) as part of that manufacturer's product or system.

The replacement product assumes the remainder of the Limited Warranty period applicable to the defective product or thirty (30) days, whichever is longer.

Disclaimer and Limitation of Liability

EXCEPT AS OTHERWISE STATED IN THE LIMITED WARRANTY, PAI MAKES NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO RICOH DOCUMENT SCANNERS. TO THE EXTENT POSSIBLE UNDER APPLICABLE LAW, PAI DISCLAIMS ANY LIABILITY FOR INDIRECT, CONSEQUENTIAL, PUNITIVE, OR SPECIAL DAMAGES, INCLUDING WITHOUT LIMITATION DAMAGES FOR LOST DATA, LOST REVENUE, LOST PROFITS, OR REPLACEMENT PRODUCT COSTS ARISING OUT OF THE PURCHASE, USE, OR PERFORMANCE OF RICOH DOCUMENT SCANNERS, UNDER ANY THEORY OF LIABILITY, EVEN IF PAI HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES SO THIS LIMITATION OR EXCLUSION MAY NOT APPLY TO SOME END USERS. TO THE EXTENT POSSIBLE UNDER APPLICABLE LAW, PAI DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AFTER THE PERIOD OF LIMITED WARRANTY, AND DISCLAIMS ANY IMPLIED WARRANTY ARISING FROM A COURSE OF PERFORMANCE, DEALING, USAGE, OR TRADE PRACTICE. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THIS LIMITATION MAY NOT APPLY TO SOME PURCHASERS. THIS LIMITED WARRANTY GIVES THE PURCHASER SPECIFIC LEGAL RIGHTS, AND THE PURCHASER MAY HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE. THE PRICE OF PRODUCTS DISTRIBUTED BY PAIOR ITS AUTHORIZED DEALERS REFLECTS THE ALLOCATION OF RISK ARISING FROM THE WARRANTY EXCLUSIONS AND THIS DISCLAIMER AND LIMITATION OF LIABILITY.

If there is any conflict between other sections of this guidebook and the Limited Warranty, the terms of the Limited Warranty prevail.

HOW TO OBTAIN LIMITED WARRANTY SERVICE

Ricoh Document Scanners are supplied with Information on unpacking, setup,

installation and operation. Careful reading of the manual will answer most of the technical questions the end user might have regarding proper installation, operation and maintenance of the product. However, should additional technical support be required, you may visit our website at:

<https://www.pfu-us.ricoh.com/support>

or contact:

**PAI's Technical Assistance Center ("TAC")
(800) 626-4686, Option 2**

TAC is available Monday- Friday (excluding PAI holidays) 5 a.m. to 5 p.m. PST.

Before placing the call, the eligible purchaser should have the Ricoh Document Scanner model number, part number, serial number and proof of purchase available. The eligible purchaser should also be prepared to provide a description of the problem.

TAC personnel will assist the end user in resolving the problem over the phone. The end user may be asked to run some simple, self-diagnostic tests and report the resulting status and error code messages. This will assist TAC in determining if the problem is the Ricoh Document Scanner or another component and if the problem can be resolved over the phone. If TAC determines a hardware problem exists that is covered either under the Limited Warranty or a purchased Service Program, a Return Material Authorization Number ("RMA") will be assigned as needed, a service request will be initiated and repair or replacement procedures will follow.

Packaging and Shipping Guidelines

Purchaser must ship all warranty returns in careful compliance with the Packaging and Shipping Guidelines. Failure to do so will void the Ricoh Document Scanner's warranty. PAI advises the purchaser to keep the original box and packing materials for storing or shipping. The purchaser must return only the Ricoh Document Scanner. Prior to shipment, purchaser must remove and retain all "add-on" items, (i.e. adapters, cables, software, manuals, etc.). PAI accepts no responsibility for these items and they will not be returned with the repaired or replacement Ricoh Document Scanner. All products should be returned to PAI in the original shipping container, or an authorized packaging box for the units being returned. Purchaser must install the shipping restraint before the Ricoh Document Scanner is shipped. When the original packaging is not available, contact PAI's Technical Assistance Center ("TAC") at (800) 626-4686, option 2, for part numbers and replacement packaging ordering information.

Product Return Procedure

Eligible purchasers seeking services for Ricoh Document Scanner covered under

this Limited Warranty must obtain a Return Material Authorization number by calling (800) 626-4686, option 2, and within ten (10) business days from the date of issuance of the RMA must return the Ricoh Document Scanner to the address designated in the RMA at the end user's own expense and risk, in compliance with PAI's then current Packaging and Shipping Guidelines.

Any defective products or parts replaced by PAI become the property of PAI.

Customer Responsibility

BY REQUESTING SERVICE, THE ELIGIBLE PURCHASER ACKNOWLEDGES THE TERMS OF THE LIMITED WARRANTY, INCLUDING THE DISCLAIMER AND LIMITATION OF LIABILITY PROVISIONS. PRIOR TO SEEKING SERVICE, THE END USER MUST BACK-UP ANY DATA OR FILES THAT MAY BECOME DAMAGED OR LOST. PAI IS, WITHOUT LIMITATION, NOT RESPONSIBLE FOR LOST OR DAMAGED DATA OR FILES.

Disclaimer

PAI RESERVES THE RIGHT TO CHANGE AT ANY TIME AND WITHOUT PRIOR NOTICE ANY OF ITS PROCEDURES FOR OBTAINING WARRANTY AS SET FORTH IN THIS DOCUMENT.

WARRANTY SERVICE DESCRIPTIONS

PFU America, Inc. ("PAI") offers a range of service programs to support its Limited Warranty and to assist with the use and care of the Ricoh Document Scanner ("Service Methods"). A Ricoh Document Scanner represents an important investment. Ricoh Document Scanners gives the productivity needed to stay competitive. The sudden loss of this productivity, even temporarily, could seriously affect the ability to meet commitments. Downtime can be very expensive, not just in the cost of the repair but also in time lost. To help alleviate these problems, PAI may use one of the service methods listed below, depending upon product type, in providing service under its Limited Warranty.

Included with selected Ricoh Document Scanners is a Limited Warranty Summary Card. The Limited Warranty Summary Card is specific by model. The Limited Warranty Summary Card contains important warranty Information, including the model number and the Limited Warranty. Please refer to the limited Warranty Summary Card to determine the available Service Methods applicable to the particular Ricoh Document Scanner. If the Limited Warranty Summary Card cannot be located, additional information may be obtained about the product, including updated warranty and service program information and restrictions, online at <https://www.pfu-us.ricoh.com/support/warranties-manuals-datasheets> or by phone at (800) 626-4686, option 2.

To avoid service delays, PAI urges end users to complete the online warranty registration form at the first opportunity. You may register online [here](#) or by phone at (800) 626-4686, option 2.

PAI also provides a variety of service programs that may be purchased to assist with the use and care of the Ricoh Document Scanner. See your Service 360 booklet for additional information.

PAI is committed to providing its customers with quality, performance, reliability and service under the Limited Warranty

On-Site Service

For selected Ricoh Document Scanners, and after TAC verifies a hardware problem, a service call will be opened and logged. An PAI Authorized Field Service Engineer will be dispatched to the product location to perform repair service. If the product is located within the contiguous forty-eight (48) United States, in certain areas of Alaska and Hawaii, and if there are no security, safety or physical requirements that would restrict the Authorized Field Service Engineer's access to the product.

On-Site Service will be provided between the hours of 8 a.m. and 5 p.m. local time, Monday through Friday (excluding PAI holidays).

Advance Exchange

Advance Exchange Program may be one of the easiest and most comprehensive service offerings in the industry. In the unlikely event of a product defect, for eligible purchasers of certain Ricoh Document Scanners, PAI will replace that product within two business days. The Advanced Exchange Program provides advance replacement on specific failed or broken Ricoh scanners. To be eligible to take advantage of the Advance Exchange Program, the eligible purchaser must obtain an RMA number, sign an Advance Replacement Agreement and provide a credit card deposit to secure the replacement product. The RMA number should be kept in the event that the status of the replacement product needs to be checked. The eligible purchaser will be asked for the address where the replacement product is to be shipped. The eligible purchaser will also be faxed packing and shipping instructions for the malfunctioning product. The eligible purchaser will then receive a replacement product within 2 business days after the service call initiation and PAI's receipt of the signed agreement. The malfunctioning product must be received by PAI within ten (10) days of the end user's receipt of the replacement product or the end user's credit card will be charged the list price of the replacement product. Shipment of replacement Imaging Product will be made at PAI's expense and choice of freight carrier. Shipments not made under PAI's directions and choice of freight carrier may void the Limited Warranty.

Before the product is returned to PAI, be sure to remove all options and accessories (which include power cord, documentation, etc.) that are not covered by the Limited Warranty. The box and packaging in which the replacement product was shipped must be used to return the malfunctioning product. If the malfunctioning product is not returned in the box and packaging in which the replacement product was shipped the Limited Warranty may be voided. The Return Material Authorization Number must be clearly marked on the outside of the box to ensure proper receipt and credit of the defective product.

Depot Service

If the Ricoh Document Scanner is not eligible for Advance Exchange or On-Site Service, an eligible purchaser may utilize our Depot Repair Service. The eligible purchaser will be instructed to ship the product to the nearest authorized Depot Repair Center. Product must be shipped at the eligible purchaser's risk and expense to the repair center. Before the product is returned to the repair center, be sure to remove all options and accessories (which include power cord, documentation, etc.) not covered by the Limited Warranty. All products should be returned to PAI in the original shipping container, or in a recommended packing box. The Ricoh Document Scanner must have the shipping restraint installed before it is shipped. When the original packaging is not available, contact PAI's Technical Assistance Center ("TAC") at (800) 626-4686, option 2, for ordering information. Eligible purchasers seeking services for Ricoh Document Scanners must obtain a Return Material Authorization number by calling (800) 626-4686, option 2, and within ten (10) business days from the date of issuance of the RMA must return the Ricoh Document Scanner to the address designated in the RMA at the end user's own expense and risk, in accordance with PAI's then current Packaging and Shipping Guidelines. The Return Material Authorization Number must be clearly marked on the outside of the box to ensure proper receipt and credit of the defective product. Upon receipt of the product, the repair center will repair product within ten (10) business days. The repaired product will be shipped back two-day express mail at no expense to the eligible purchaser.

Important Restrictions

Eligibility: The Advance Exchange Program and the Depot Service are available to eligible purchasers in the fifty (50) United States, and On-Site Service is available in the contiguous forty-eight (48) states and in certain areas of Alaska and Hawaii for products purchased from authorized distributors of PAI. The Ricoh Document Scanner will be ineligible for any service under warranty if the product falls under any of PAI's then-current Warranty Exclusions, including a purchaser's failure to return defective products to PAI in compliance with PAI's then current Packaging and Shipping Guidelines. Persons are only considered "eligible purchasers" or "end users" if they originally purchased the Ricoh Document Scanner for their own personal or business use, and not for resale.

Consumables:

Consumables are items that wear out under normal use and must be replaced by the end user as needed. Consumables, supplies, other expendable items and those items identified as being the user's responsibility in the Operator's Guide, Cleaning and Maintenance Guide or Reference Manual are not covered under the Limited Warranty.

If any of the above excluded parts or services are required, they may be available through an authorized service provider at their hourly rates and at terms then in effect.

Any defective products or parts replaced by PAI become the property of PAI.
